

Dear:

Thank you for expressing interest in Emerald Links Golf and Country Club.

For 2011 Emerald Links is offering a number of annual memberships. We are offering full playing memberships and limited 5-day memberships. We have junior memberships and a special junior rate when joining as part of an adult membership. All membership categories include club cleaning and storage, locker and shower facilities, complimentary pull carts and up to ten days advance bookings for Tee-times. The fees for each category of memberships have been detailed on an attached schedule and application form. As noted the only additional fees are the Q.G.A. /C.L.G.A. fees, power cart rentals, driving range play, and personal purchases.

Emerald Links Golf and Country Club is a “greens friendly golf course”. For the past five years we have **not** allowed any metal spikes on the course and with a positive difference in the greens we will be continuing this practice. In addition, Emerald Links has initiated a Pace-of-Play program and are working towards timely rounds of golf. Members and guests at Emerald Links will also be required to observe the established dress code for the club.

We have enclosed an application form, an information sheet and a brochure of the golf course facility for your review. We encourage you to play the golf course, if you have not had the opportunity to do so. If you decide to join we will reimburse you for the cost of this round, if submitted with your application.

Should you wish to join Emerald Links Golf and Country Club, please forward your completed application form with full payment to the address noted above. Payment is to be made by cash, cheque or debit card, payment by credit card will be accepted but must be processed on site. If you require more information please do not hesitate to contact Emerald Links Golf and Country Club administrative office at 613-822-6353 during normal business hours.

Yours truly,

Gibson H. Patterson  
President
